READ :—

Docket No. 469, dated 28th January 1897, from the Deputy Commissioner of the Kadur district, submitting the District Fund budget estimates of the Kadur circle for 1897-98.

No. 11384-8—L.F. 260-96, DATED, BANGALORE, 19TH APRIL 1897.

RECEIPTS.

ORDER THEREON.—The District Fund Board estimate their income for 1897-98 at Rs. 55,546 against Rs. 57,390 the actuals of 1895-96 and Rs. 53,661 the sanctioned estimate for 1896-97. The estimate calls for no remark and is passed.

Opening Balance.—The estimate (Rs. 12,100) entered under this head will be raised to Rs. 13,848, which is the closing balance as entered in the supplemental budget sanctioned in Proceedings Nos. 10499-501—L. F. 95-95 and 10502-4—L. F. 95-95, dated 19th March 1897.

EXPENDITURE.

(3) *A. Public Works to be executed by Public Works Department.*—The provision made under "I. Original works" for a bridle path from the 16th to 33rd mile of the Badabudan Hill road will be omitted from the budget, pending orders on the Board's application for a Provincial grant on behalf of this work. The provision made under "II. Repairs" includes certain increased mileage allotments considered necessary for the proper maintenance of the marginally noted two roads. Pending the submission of a separate reference and the orders of Government thereon, the increase proposed will be retained.

Name of road.	Existing.			Proposed.		
	Length.	Rate.	Cost.	Length.	Rate.	Cost.
(1) Banavar-Sakrepatna	16	50	800	16	60	960
(2) Birur-Ajjampur	9	50	450	9	60	540
			1,250			1,500

Increase Rs. 250

(4) III. *Establishment.*—The provision under this head will be reduced from Rs. 5,785 to Rs. 4,297, which represents 17½ per cent on the sanctioned estimate for repairs.

(5) *B. Public Works to be executed by the Revenue Department.*—Though no provision has been made for works to be executed by Revenue agency, a sum of Rs. 240 is entered on account of the salary of the Work Inspector, sanctioned for the Tarikere taluk in Proceedings No. 11721-2—L. F. 379-92, dated 16th April 1896. The Deputy Commissioner is requested to report the necessity for the retention of the services of this official.

Civil Charges.

(6) *II. Medical Scholarships.*—It is not clear why no provision has been made on account of scholarships for students undergoing training for the grade of Hospital Assistant. A sum of Rs. 410 payable by the Kadur Local Fund Board for 1897-98 will now be entered under this head.

(7) III. *Hospitals and Dispensaries.*—The increases provided under this head are shown in the margin.

	Rs.
(1) Compounder—increase of pay to	328
(2) Increase of pay to toti at Sringeri	12
(3) Feeding charges for in-patients in Local Fund dispensaries	420
(4) Charge allowance to Hospital Assistant	60
Total	820

(8) *Item* 1.—The provision made under this head on account of the salaries of compounders does not correspond with the scale sanctioned in Proceedings No. 13250-1—Mis. 1962, dated 8th June 1896, as shown below :—

		As provided.	Provision according to sanctioned scale
1	Compounder	8 at Rs. 8	7 at Rs. 8
2	Do	1 at „ 10	2 at „ 10
3	Do	1 at „ 12	1 at „ 12
4	Do	2 at „ 15	2 at „ 15
		12	12

The provision will, however, be retained pending the submission of a statement showing the name of each dispensary and the salary to be allowed to its compounder without exceeding the sanctioned scale.

(9) Items 2, 3 and 4 have been already sanctioned by Government and the provisions made therefor will be approved.

(10) *IV. Midwives.*—The decrease under this head is due to the transfer to Mudgere of the midwife of Kadur, who was drawing Rs. 20 per mensem, and to the appointment in her stead of another on Rs. 15 per mensem. The provision is passed.

(11) *V. Sweepers for Travellers' Bangalos and Musafirkhanas, &c.*—The provision made under this head is for purposes noted below :—

		1896-97.	1897-98.
(*a*)	Salaries of sweepers, &c.	1,896	1,728
(*b*)	Maintenance of musafirkhanas	1,000	660
(*c*)	Vessels to musafirkhanas	...	445
(*d*)	Contingencies for musafirkhana including oil	...	156
	Total ...	2,896	2,989

The decrease under "(*a*) Salaries of sweepers" is due to certain 3rd class bungalos having been transferred to the 1st class, the charges of which are debitable to the Provincial Funds. The Deputy Commissioner reports in the remarks column of Statement F that the Kotigehar musafirkhana, for which a watcher was sanctioned in Proceedings No. 1182-5—L. F. 95 95, dated 22nd July 1896, is looked after by the bangalo servants at Kotighar. If so, a report should be made as to whether the sanction therein accorded for the watcher may now be withdrawn. The other items are in accordance with sanctions already accorded by Government in Proceedings No. 10615-23—L. F. 103-95, dated 16th March 1896 and are allowed.

(12) Under " VI " there is a provision of Rs. 1,320 for " Permanent village conservancy charges." This, it is hoped, is calculated to secure the proper maintenance of the sanitation of large and populous villages in a methodical and satisfactory manner. Government would be glad if this important measure could be introduced into the other districts also of the province.

(13) The other provisions call for no remarks and are passed.

(14) The budget estimates under District Funds of the Kadur circle for 1897-98 are sanctioned as per details given in the accompanying appendices, of which an abstract is given below :—

Deputy Commissioners office
Kadur District
Dated Chikmagalur 6th September 1897

From

The President, L.F Board
Kadur Circle

To

The Deputy Commissioner
Kadur District.

Sir,

With reference to certain observations contained in Government Order dated 19th April 1897, No: $\frac{11384-8}{\text{L.F } 260\text{-}96}$ sanctioning the District Fund Budget Estimates of the Kadur Circle for 1897-98, I have the honour to report as follows:—

2. Para 3.A Public Works to be executed by P.W. Department.

As regards the increased mileage allotments for the marginally noted two roads, I enclose a copy of the Executive Engineer's docket No: 152 dated 3rd August 1897 explaining the necessity for increasing the allotments, and beg that you will be so good as to obtain the sanction of Government to the

1 Banavar-Sakrepatna Road
2. Birur-Ajjampur Road.

increase

3. Para 5. B. Public Works to be executed by the Revenue Department

A Work-Inspector (temporary Mestri) was entertained for the Tarikere Taluk under the authority of Government Order No. $\frac{11721-2}{L.F.\ 379-92}$ dated 16th April 1896. As no provision existed in the last years Budget to meet his pay, provision was made in the current Years Budget to meet the arrears of pay due to him. His services have since been dispensed with and 5 competent Work Inspectors for all the Taluks are being entertained as per Government Order dated 21st August 1897, No: $\frac{2595-6}{L.F.\ 320-96}$

4 Para 6. II. Medical Scholarships.

Provision was inadvertently omitted to be made when submitting the Budget Estimates on account of Scholarships for students undergoing training in the Madras Medical College for the Grade of Hospital Assistants

5. Para 8. Item. I.

Hitherto the Compounder at the Birur Dispensary was drawing Rs. 8 per mensem and provision was accordingly made in the

Budget. The Civil Surgeon now submits a statement proposing an increase of Rs: 2 to the Compounder. This however does not exceed the sanctioned scale and I request that sanction of Government may be obtained to the same, the excess in the 2/3rd cost of the same viz Rs:16 being met out of Rs 120/ provided under Furniture to Dispensaries. A copy of the statement received with Civil Surgeon's docket No: 21 dated 19th August 1897. is enclosed for information.

6. Para II (V). Sweepers to Travellers' Bungalows and Musafarkanas.

A Sweeper to the Kotigehar Musaferkana was sanctioned by Government in July 1896 and till then it was being looked after by the Travellers Bungalow servants. Kotigehar is 3 miles from Bhund Ghat and the incessant heavy rains of the last year brought down he whole building and there was therefore neither opportunity nor necessity for entertaining the sweeper sanctioned.

The District Fund Board have in heir meeting of the 28th July 1897 resolved to onstruct a Pakka Musafarkana of the second lass calculated to stand the severity of the

No: 152 dated $\frac{3}{6}$th August 1897.

In reply to Deputy Commissioner's No: 4 of 7th July 1897. has the honour to state that the increase in the mileage rate: of Banavar Sakrepatna and Birur-Ajjampur roads from Rs: 50/ to 60/ is very necessary; as the traffic on them is heavy. They also constitute feeder roads to Birur, Ajjampur and Devanur Railway stations These roads which were getting 80 and 70 Rupees per mile were reduced to 60 rupees in 1892-93 and a further reduction of 10 rupees per mile was made last year necessitating special repair Estimates - With these low grants it is very difficult to keep the roads in the order they are expected to be; and hence the necessity to raise the grant
